SCHOOL EXAMINATION RULES & INSTRUCTIONS

Before the start of the examination

1. Please check your physical well-being and report to the invigilator if you are not well. Do NOT report for the examination if you are not well (e.g. having a fever of 38°C and above) or exhibit flu-like symptoms.
2. Students are to ensure that your calculators/dictionaries are approved by the Singapore Examination and Assessment Branch. Please check with your Mathematics/Chinese/MSP teachers for assistance.

During the examination

1. Students are to be seated according to your class register numbers.
2. You must be at your seats at least 15 minutes before the start of each paper. There will not be any make-up time for students who report late for the examinations. Latecomers will have to seek permission from the invigilator before entering the examination venue.
3. All bags, books, pencil cases (unless they are transparent) and files are to be left **IN FRONT** of the exam room. Handphones, smart watches, all electronic devices and correction tape/fluid and **pens with erasable ink** are not allowed to be in your possession in the exam room.
4. Check that you DO NOT have any unauthorised material with you (under the desk, in the pockets of your skirt/jacket, in your pencil case or anywhere else).
 - (a) If a dictionary/calculator is used, check that there are no notes left or written on
 - (b) If a calculator is used, the cover is to be placed on the floor.
5. Anyone who cheats by copying or allowing others to copy will be severely punished. Students found to have any writing done on any part of the body, or who have books, notes or any unauthorised material found in your possession in the exam room will be construed as having the intention to cheat and will be severely punished.
6. Students must have your own stationery or required mathematical instruments as you are not allowed to borrow them from other students during the exam. You must use black or dark blue pens and 2B pencils for shading the Optical Answer Sheets.
7. Students are to remain silent at your desk while the invigilator distributes the exam material. DO NOT flip the exam paper to read the questions in it until you are told to do so.
8. Student must inform the invigilator immediately if
 - (a) you are not issued with the necessary material,
 - (b) you are issued the wrong exam paper,
 - (c) the number of printed pages (including the cover page) is incorrect.

9. Students are not allowed to begin writing/reading until you are told to do so. You must stop writing and put your pen down when the invigilator instructs you to do so when the time is up.
10. Students are expected to stay in the examination room for the whole duration of the paper.
11. All answer scripts must be submitted to the invigilator at the point of collection. No scripts will be accepted after that.
12. Remain seated at your desk and observe silence while the invigilator collects the answer scripts. You may not leave your desk until you are told to do so.
13. All used and unused writing paper, and question papers **CANNOT** be taken out of the exam room.
14. Students are not allowed to consume any form of food in the examination room. However, students are allowed to drink water. Students are advised to place their water bottles on the floor next to their seats.
15. All absentees on sick leave must submit a valid medical certificate to your Form Teacher immediately upon your return. Medical chits from TCM practitioners and letters from parents are NOT acceptable.
16. There will not be any re-examination for students who miss a paper.
